*Greetings to you all*

### Enrolments for Term 2 2019

**If your child has been in lessons in Term 1 they will be automatically rolled over for the same time next term.**

**If we have to change your child's time we will be in contact with you as soon as possible. Students times usually only change if they have moved up a level.**

**If you plan on taking your child out of lessons next term please let us know as soon as possible so that we can offer their space to other students.**

#### New rules:

- **If you need to change days/times or cancel after the term starts, there will be a \$10 fee.**
- **Children are no longer allowed to swim/play in the pool BEFORE their lessons. This is due to students being late for their lessons or coming to the lesson in 'play mode' and not focusing. They are welcome to a swim afterwards.**
