3. The premise area is to be designated as supervised.
4. When alcohol is being supplied free as a sample, water is to be provided free of charge at the place where the samples are being supplied.
5. A properly appointed certificated or acting or temporary manager must be on duty at all times when the premises are open for the sale and supply of alcohol.

The Premise licensed area is set out on the plan submitted with the application and date stamped A note to this effect is to be made on the licence.

REASONS FOR THE DECISION

The applicant has operated their OFF licence without incident or cause for concern for the last 12 months.

The Licensing Inspector's report indicates that the amenity and good order of the locality will not be adversely affected by more than a minor extent should this application be granted, and that the applicant is suitable to hold this licence.

Police and the Medical Officer of Health do not oppose the application.

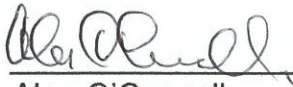

The application was duly advertised and no objection, opposition or notice of desire to be heard has been received.

Accordingly, I deal with the matter on the papers.

There is no evidence before the Committee which would suggest that the applicant would manage the premises in any way which would contravene the requirements or intention of the Act.

Overall I am satisfied as to the matters to which we must have regard as set out in s.131 and s.132 of the Act.

DATED at GREYMOUTH this 16th day of July 2024.
