

My principal area of residence is the Eastern Ward

I consider myself very fortunate to have spent my whole life in this beautiful district where my wife Nicki and I have raised our adult family.

We have spent 35 years running our small business in Greymouth, which has been a huge commitment for us, but as we are currently in the process of selling this, I am seeking a new challenge and would like to give back to the community which has been so good to us.

Grey District like all others faces challenges and I would like to be a part of council to help steer us through what could be a difficult period.

My pledge to you as a ratepayer is that if you choose to elect me to this position, I will do all I can to help make the Grey District the best it can be.
