My/~~our~~ submission is that: (state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific proposal, or wish to have amendments made, giving reasons)

I oppose the specific proposal on the grounds that it threatens to annihilate the Petrel Colony at that location. The colony is already under threat and has very reduced numbers. This location is one of the few places they come ashore on the west coast.

Also the submission will cause irreparable damage to the beach and the surrounding eco-system.

I/~~we~~ seek the following decision from the Local Authority:(give precise details)

Revoke the consent and not proceed with the mine.
