I oppose the application due to adverse effects on the wellbeing of the community ; noise/ light pollution, contamination of waterways and devaluation of property.
I oppose the application due to the toll it will take on climate change, the carbon emissions generated from diesel fuelled trucking and the destruction of precious wetlands.
I oppose the application due to adverse effects on the endemic Taiko and Kororā.
I oppose the application due to adverse effects on West Coast Tourism and its clean green image.
I oppose the application because mining is a short sighted, destructive industry, I grew up in Barrytown, my parents own land there and I would like MY children to enjoy the same natural environment in Barrytown that I did.

I/we seek the following decision from the Local Authority:(give precise details)
