This mine is within one of the most tourism dense areas of NZ, an area of immense natural value. On the one hand the Govt has/ is spending millions on the rejuvenation of Punakaiki and it's environs, the new Paparoa track and various other sensitive developments in the wider area to further enhance the overall experience of high numbers of national and international visitors. Not to mention many West Coasters from slightly further alield booking accommodation and local activities enjoying their own backyard and having short breaks in bus lives, myself and other business operators are encouraged and hop	rou wish to be heard, and others make a similar submission would you consider making a joint case with them are a similar submission would you consider making a joint case with them are a similar submission would you consider making a joint case with them are a similar submission would you consider making a joint case with them are a similar submission would you consider making a joint case with them are a similar submission would you consider making a joint case with them are served a copy of the beard, you will be sent a copy of the S.42A Officer's Report and a copy of the Deck at its released. Please indicate below which format you would like to receive these documents in: Electronic (CD) copy Hard (paper) copy The have served a copy of my/our submission on the Applicant as per Section 96(6)(b) of the RMA Yes Your submission is that: (state in summary the nature of your submission. Clearly indicate whether you would like to acknowledge the potency of feelings of dismay within a majority of the Barrytown community at yet another battle to keep mining 'large in scale and longovity' from happening yet again. The overall impact and concerns socially environmentally have not diminished in the years since the last mining applications were opposed and denied. Given the scale and location and future feasibility of this operation moving south over an even greater area this seems to most of us an absurd proposal. This mine is within one of the most tourism dense areas of NZ, an area of immense natural value. On the one hand the Govt has/ is spending millions on the rejuvenation of Punakaiki and it's environs, the new Paparoa track and various other sensitive developments in the wider area to further enhance the overall experience of high numbers of national and international visitors.
