I have been living on former mining land for the last 55 years. I came here when there were many active coal mines around me and I saw them close when they had used all their available coal and I saw the mess and destruction they left behind although promising reparations when they started. They walked away. I call on the Regional Council to demand a financial down payment before the start of the operation sufficient to cover the restitution of the land.

I/we seek the following decision from the Local Authority: (give precise details)

That the local authority refuse to approve the proposed activity
