Yes

My/our submission is that: (state in summary the nature of your submission. Clearly indicate whether you support or oppose the specific proposal, or wish to have amendments made, giving reasons)

I regularly visit family living in this area and am concerned that the above proposal will damage the local environment, the quality of the waterways and the wildlife living in the surrounding area. The noise of machinery operating will detract from the peaceful atmosphere and may effect the sleep of children and adults alike. This is a quiet area that people enjoy for that reason. The increase of traffic on the road will add to noise levels and the safety of residents.

I/we seek the following decision from the Local Authority:(give precise details)

That they oppose the application.
