

Starlink Availability

The Starlink Availability interface features a blue background with the 'STARLINK' logo at the top left. Navigation tabs for 'RESIDENTIAL', 'ROAM', and 'BOATS' are positioned at the top. A dark grey filter bar contains the 'AVAILABILITY' dropdown menu, with three selected options: 'AVAILABLE' (light blue), 'WAITLIST' (medium blue), and 'COMING SOON' (dark blue). An information icon is on the right of the filter bar. The map area is labeled with several locations: 'Mount Litch', 'Ahaura', 'Blackball', 'Kinsella Peak', 'Ngahere', 'Red Jacks', and 'Nelson Creek'. A white circular marker is centered on the map. A 'Service Address' input field at the bottom right contains the text '3021 State Highway 7, Ngahere, New Zealand' and a location pin icon. A small 'pobox Stillwater' label is visible in the bottom left corner.

One NZ Availability

The One NZ Availability interface has a white header with a green circular logo on the left. Navigation links include 'Let's Get Connected', 'SpaceX', 'One Smart Network', 'About us', and 'Rewards'. Below the header is a dark grey navigation bar with buttons for 'Mobile', 'Rural Broadband', '2G', '3G', '4G', '4G Voice', '5G', and a search field containing '3021 State Highway 7, Ngahere'. A map is displayed below the navigation bar, with a 'Map' button and a 'Satellite' button (which is active) in the top left corner. A 'Labels' checkbox is checked. The map shows a satellite view of a rural area with a red location pin and a red square marker. The text 'New Zealand' is visible on the right side of the map.
